Just
\$40
for the entire university year

40 weeks just \$40

Subscribe now for just \$40 and you can pick up *The Australian* on campus Monday-Friday and have *The Weekend Australian* home delivered during the entire 2009 academic year. That's 40 weeks of essential news, views, insights and award-winning reporting. From education to finance, arts to sports, business to IT and entertainment to international affairs.

That's not all

For just \$10 more, you can also receive *The Sunday Times* home delivered every Sunday for 40 weeks. **That's 40 weeks, 7 days per week, just \$50.**

How it works

Your Monday to Friday copies of *The Australian* can be collected from the campus bookshop.

On Saturday (and Sunday if you take *The Sunday Times* offer) your paper will be home delivered.

How to get your newspapers

In order to collect your newspapers Monday to Friday, you will need an official **2009 University Offer Redemption Card**. This will be mailed to you, along with your confirmation letter once your subscription has been processed. Then all you need to do is show your card at the campus bookshop.

TO SUBSCRIBE: Fill out the form below and send to Curtin University bookshop or return to: Circulation Department, The Australian WA Uni Offer, Reply Paid 174, Perth, WA, 6840. If you have any queries please call 1800 022 552.

Specialised sections to help with your studies

To complement *The Australian's* daily offering of news, business and sport, you'll enjoy specialised editorial sections that provide deeper coverage of the areas that can help with your studies.

Business, Finance, Economics and Accounting

As well as the daily business news updates, *The Australian* Business sections and Wealth lift outs provide national and international finance and economic insights for investors and businesses.

Legal and Law Studies

The Australian's Legal Affairs section provides comprehensive coverage of the legal industry, including careers, opinions, news and reviews.

IT and Communications

The Australian IT section is the nation's most comprehensive weekly IT section. It covers everything from careers and industry analysis to business and reviews. It's required reading for all in the IT industry.

Media, Marketing and Journalism

Media & Marketing is Australia's largest newspaper section looking at media, marketing, advertising, agencies and communications, as well as industry personalities and careers.

Arts and Educational Studies

The long-standing Higher Education section is highly respected for its diverse and flexible coverage whilst our arts coverage includes reviews and opinions across literature, theatre, film, music, performance and visual arts.

Social Sciences, Education and Humanities

Some of the best journalists across the world report on significant issues in politics, entertainment and more in our Worldwide section and Weekend Inquirer.
